

Out in the Field 2026

We're delighted to be back at country shows across England this year, catching up with familiar faces and meeting new ones along the way. This year's show season is set to be our biggest yet attending three events for our first time: Bedfordshire YFC, Cereals 2026 and Dunster Show, while also making a return to our favourite shows from previous years.

As a proud family-owned rural insurance broker, who have been trading for over 40 years, we've been supporting farms, rural businesses and thatched property owners for generations. We understand countryside life and the challenges that come with it and make insurance, the way it should be.

Come and say hello at one of the shows near you. Our friendly team will be on hand with expert advice, competitive cover options and plenty of time for a chat.

When it comes to protecting what matters most in the countryside, we're right here with you.
